

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please keep our media diverse and independent of each other. Especially in times like these, when we are at war and our civil liberties are being attacked on a daily basis, we need access to as many different media options as possible. Please stop favoring the "rights" of big business over those of United States' citizens. Thank you.
